

YAMAP0718USASerial No. 10/034,895**REMARKS**

Claims 50-104 are pending in the present application.

Claims 76-103 have been allowed.

Claims 50-75 and 104 have been rejected under the judicially created doctrine of obviousness-type double patenting over each of U.S. Patent Nos. 6,436,526, 6,767,655 and U.S. Application No. 10/848,742. While Applicants traverse the rejections for obviousness-type double patenting, in order to advance the prosecution of this application, Applicants submit herewith three Terminal Disclaimers, one for each of the two patents and the one application over which the claims have been so rejected.

Applicants respectfully submit that the filing of these Terminal Disclaimers obviates the double patenting rejections and renders allowable all of claims 50-75 and 104.

Notice of Allowance is respectfully requested.

Should the Examiner consider that a telephone interview would be helpful to facilitate favorable prosecution of the above-identified application, the Examiner is invited to contact the undersigned at the telephone number provided below. If any additional fees are required for the filing of these papers, Applicants request the Commissioner to charge those fees to deposit account #18-0988, docket no. YAMAP0718USA.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, P.L.L.
